Community Titles Institute of S.A. Inc. (CTISA)

The CTISA is the peak industry body for Strata and Community Titles management operating from South Australia. Membership includes Body Corporate management firms, managers, support staff, industry partners, students and other key stakeholders in this rapid growth service sector.

CTISA members benefit from professional development through our education seminars, conferences and updates on issues of professional interest both locally and interstate.

CTISA is committed to its membership and seeks to promote and represent our industry by establishing professional codes of conduct, guidelines and other ethical standards.

Benefits of Membership

Prime objectives of the Community & Strata Corporations Institute include promotion of the profession of strata and community title management, and liaison with government authorities for the benefit of client corporations. The Community & Strata Corporations Institute is a foundation member of the National Community Titles Institute, formed to represent the interests of recognised professional associations in strata and community titles management throughout Australia, New Zealand and South East Asia.

This organisation will be primarily concerned with accreditation and training of managers, and policing standards of professional and ethical conduct.

As a member you will be entitled to:

- Automatic membership of the industry's national professional association, providing accreditation as a practitioner recognised Australia wide.
- Attendance at periodic seminar/workshop sessions at a reduced fee.
- Be kept informed of latest developments affecting the duties and responsibilities of managers and corporations
- Reduced enrolment fees of Accreditation Courses in body corporate administration.
- Access to restricted area on website to read and download all industry related information and benefits
